Job Printing neatly and charply executed.

Necessity compels us to adhere strictly to the requirements of Cash Payments.

their pocketbooks until they were

But these farmers-"these Alli-

for Dr. Miller had as much reputa-

tion then as Dr. Felton has got now,

and he was called the Demosthenese

of the mountains. Lumkin was a

big, beefy, thick-tongued man and

couldn't elocute very much, but he

was a Democrat, while Dr. Miller

was a Whig. He made Lumkin sick

on every stump-so sick that some-

times when he had the conclusion he

around like the old Virginians used

to tote Patrick Henry. Good gra-

cious, what a racket they made, but

when election day came the wool

hats came slipping out from their log

cabins and hollow logs, and from

under the clay roots and other hiding

places, and just everlastingly snowed

the doctor under. I hadn't forgot-

ton those memorable campaigns, and

hence I didn't bank my faith in a

sanguinary manner upon Dr. Felton's

success. I kept one ear open to hear

something drop, and it dropped. But

we can all laugh and rejoice now,

for there are bigger things than the

Seventh District. The nation is safe,

and that is victory enough to satisfy

anybody. We did think that we

were just obliged to have Dr. Felton

in Congress to fight the impending

battle, and lead the forces and elec-

trify the Democracy, and swing his

Damascus blade and put in his hal-

leluia licks and save the nation, but

the news of our victories has come

over us like the sounds of many

waters, and hope has revived and

freedom has quit shricking, and now

maybe we can get along without the

doctor. Maybe we can. I expect

the old man Eloquent has fought

his last fight, and he fought it nobly.

He fought to save the pure Demo-

cracy, but maybe it is not to be

saved. I see that Mr. Gorman, one

of the mliance leaders, says that

Democracy is read and Republican-

ism is dead and the people's party

is going to run the machine. Col.

Polk said that long ago, and so did

Livingstone, but it was all smothered

until after the elections. It will

come out now, and it ought to.

There are as many Republicans in the

Alliance up North and Northwest as

obliged to have a new name. Mr.

the Yankees, was ordered to take his

while longer.

do any good.

empty, and they are empty still.

To Thine from Self Be True and It Must Fellow as the Night the Day, Thou Coun't Not Then Be False to Any Man

Walhalla, S. C. Special attention given to all business entrusted to our care. August 25, 1887.

ROBT. A. THOMPSON, Important Notice.

OTICE is hereby given that I will be at my office, near the Norman Park Hotel, for the winter, where I desire all persons owing me by note or account, to call and make immediate payment or satisfactory settlement.

J. P. MICKLER. October 23, 1890.

regiment and charge a battery that was away over on a hill and was "Let not him boast who putteth throwing an occasional shell down is armor on like him who taketh it in the valley. "Boys," said he, "you off," "Let those laugh who win," must shoot a chargin', and charge a "He laughs best who laughs last," shootin', and we'll get 'em." And overshadows all other political con- long continued, would necessarily to fill, and candidates for these places and other maxims to that effect. We they did, but when they got within siderations here. Clever politicians have an injurious influence upon all will evidently be plentiful. Senator have had a little episode up here in about a quarter of a mile the battery the mountains, and the way it has suddenly turned loose a terrific volley organization in the recent election at the country, but as trade and manu-

turned out it looks like some of us of grape and cannister upon them, laughed at the wrong time. But it which demoralized the Colonel and ance people themselves are saying prosperous, it is not probable that States Senator, and no other candi is all over now, and we can all laugh, he waived his sword and shouted: nothing that can be construed as an the stock jobbing operations of New date for that high honor has not the stock jobbing operations of New date for that high honor has not the stock jobbing operations of New date for that high honor has not the stock jobbing operations of New date for that high honor has not the stock jobbing operations of New date for that high honor has not the stock jobbing operations of New date for that high honor has not indication of their future purposes. York will have more than a tempowho staked their greenbacks and lost. stootin', I say, for it just makes 'em They are not yet calm and serene. madder."

It is right hard on a feller to lose We will ju. t quit shooting at the his man and his money, too. If a farmers, and if they can get the subman will bet on an election, I have Treasury and run it, let them do it. always thought he ought to bet If they can't, then let them get against his desires, and then if he something better. Let us all wait wins he has got his money, and if he and see. If the good old Democratic loses he has got his man, and so comes party has got to die, let them kill it. Our Georgia farmers are not in any Well, it did look like the old desperate condition and will do nothdoctor had everything in a swing ing rash or unreasonable. They are better off than they were a year around here and all along the railago. The tax returns and the canroad for 130 miles. Just think of a celed mortgages prove that. The Congressional District 130 miles farmers of Bartow were never in so long, and a great railroad splitting it prosperous a condition. Just conin two, and sixteen towns along the trast them with the farmers of Kanline, and the city of Rome red hod besides, and almost everybody holsas, where, out of 76,000 farms, lering for Felton. "He is bound to win," said his friends, "the devil think of that. And 26,000 of these mortgages have been foreclosed and can't beat him," and so they staked the farmers who once owned them are tenants at will, liable to be turned out at any day. What is the matter there? If the laws are oppressive, ancemen"-they made no noise, they kicked up no dust, they waited until they could see the whites of the enefarm in twenty-four that has a mortmies' eyes, and then they fired all gage upon it now in Bartow county. along the line. The woods were full What is the cause of this great and WILL FUSE WITH NO OTHER PARTY. of them. Where did they all come alarming difference between the from? It reminded me of the old times when Do. Miller used to run South? Why is it that Maine and against Lumk " in this same District. They stumped it together, and had big barbecues, and the sovereigns came out by the thousand and eat the meat and drank the eloquence, Kansas and Missouri are under

us know what laws. And this reminds me of what I woulden't take it, and the boys all shouted for Miller, and toted him villages in Illinois without the Gospel than in any other State in the course they will not swerve a hairs-Union. Just think of Chat! The breadth. great State of Illinois that has two counties that make more grain than all Georgia. This great State that Of this number forty are straightout stands fifth in the scale of education, Alliance Representatives and fifteen and fortieth in the grade of Chris- others have committed themselves \$100,000 car works company; Nortian religion. What do you say to in writing to the measures advocated folk, three land improvement compathis, you advocates for education? Education regardless of moral train- these measures are the free silver coining. Dr. Dunning says that the age and sub-Treasury bills. They will Presbyterians have 1,200 churches not stop, they say, until they accomwithout pastors and the Baptists have over 10,000! Nearly all of country towns, where farming is the Congress. principal occupation of the people. They once had pastors or religious services, but not now. The number of educated men in the Northern pulpits is steadily decreasing and the young men who are graduating in the theological seminaries are seeking other callings because there are no inviting fields for them to work in. The city churches are full, and the country churches will not pay enough to keep body and soul

together. The fact is that farmers whose homes are under mortgage don't take much stock in preachers or preaching. Nothing bows a man down like debt-a debt that he knows he cannot pay. The best index of the prosperity and the morality of a cer unity is the standing of their preachers. If the people are doing well they have got preachers, and they pay them, and they fix up their churches and take a pride in them. Poor people, poor pay; poor pay, poor preach, and hence the young men who want to preach are discour-

there are Democrats, and they are But, thank the good Lord for his Gorman is right, and if the new mercies, this is not the case at the party will do right that is all we South. Our small towns are genewant. But right now, when the rally supplied. You can hardly find Democracy has won these signal vicone that does not have preaching in tories, we think the Southern Allisome church every Sabbath, and ance ought to fall into line and let Sunday Schools almost universal. Go the good old dog wag his tail a little to Pine Log or Euharlee, or old Caseville, in our county, if you want to see Sunday Schools. These are all But I reckon we will all stand aside and let the farmers have their own country settlements, and some one way. Fighting them don't seem to of them always takes the banner at our union celebration. On the whole, it does look like our people It is like Col. Patterson, of North are prospering and our sunny South Alabama, who, at his first battle with is looming up.
